

7 Tasks for a Cleaner Home

March

SWEETPURPLETULIPS.COM

1. Clean the dishwasher:
Using a cleaner or vinegar and water, clean the inside. Wipe down the sides and the front.
2. Clean the kitchen sink area. Scrub down the sink and the faucet. Organize underneath the sink and clean out any trash.
3. Wipe out the utensil drawer
4. Detail your living room. Wash walls, baseboards, and window sill. Dust everything well and clean under the couches.
5. Hallway: dust pictures, wash walls, baseboards, doors
6. Clean your craft/office area. Organize and declutter items that you don't use. Throw away or recycle trash. Wash walls, baseboards, window sill, and doors. Dust and vacuum well.
7. Clean your car: wash the outside, cleaned out the trash, and vacuumed the inside. Wash the windows on the inside and dust the console and dashboard.
